Former commercial and professional audio engineer with 6+ years of client facing production and design work. Consistently met and exceeded clients' expectations. Quick and accurate multi tasker with a strong desire to learn new skills. Driven professional who works well with other enthusiastic, goal driven individuals. Seeking an opportunity where I can apply my creative and technical skills in a collaborative setting while continuing to grow as a developer.

## TECHNICAL SKILLS

<b>OOP</b>	Java
<b>Web App Development</b>	JavaScript • jQuery • Bootstrap • HTML • CSS • Spring MVC
<b>Database Programming</b>	Visual Basic • SQL
